

FACES Autism Education Series 2008-9

FACES Autism Support Groups is proud to feature its Autism Education Series for the fourth year. This year's location is the Alder Avenues Middle School in Egg Harbor Township. We will offer the finest speakers and educators in the area who will be sure to bring new insights to their topics for family members, educators and professionals.

Location for all workshops in the series:

Alder Avenue Middle School

- 25 Alder Avenue (off Dogwood Ave.)
- Egg Harbor Township, NJ 08234
- (609) 383-3366

The Ed Series will take place in the Board Room, on Wednesday nights this year.

YOU are an essential piece of the puzzle.

Our Speakers

November 12 **Susan Elmer, CCC, SLP, Autism Specialist CMCSSTD**, will speak on *Asperger's Syndrome: Inside and Out*.

January 14 **Mary Kientz, OTR, of Richard Stockton College** will present a workshop on *Sensory Integration Disorder and the Sensory Diet*. Part One of a two-part series on Behavioral Issues in Autism.

Feb. 11, **Chris Devaney, DDD Behavior Specialist**, presents Part Two: Positive Behavioral Supports.

March 11 **Susan Elmer, Autism Specialist CMCSSTD**, This workshop will focus on creating strong social relationships for people with autism, in and out of school.

April 15 **David Hagan of Neighbors, Inc.** works with special needs adults and will give us glimpse at the future for children and how to connect them to the communities where they live.

May 13 **Rita Mulholland, PhD, of Richard Stockton College** will present techniques for home and classroom to develop a successful future starting NOW.
